- ★ Student Connect

CUSTOMER TESTIMONIALS

Discover success stories from satisfied clients standing confidently behind our products.

Jawaharlal Nehru Technological University Kakinada

With the digital monitoring system in place, we have witnessed a positive impact on various fronts. From improved student engagement and attendance to better resource allocation and strategic decision-making by the management, the system has truly elevated our university's efficiency and effectiveness.

Prof. A.S.N. Chakravarthy
Coordinator Digital Monitoring Cell

Vikas Concepts School, Hyderabad

We are incredibly pleased with eTutor LMS. It has transformed our teaching methods, providing a user-friendly interface that enhances both educator and student experiences. The customizable features allow us to tailor content to our students' unique needs. Real-time tracking has streamlined assessments, giving our teachers valuable insights.

P. Sri Kanaka Raj
Academic Coordinator

Gitanjali group of schools, Hyderabad

Hallmark Learnings Labs has been delivering end-to-end technical support for all our schools. The assessment module helps measure the learning outcomes and initiate timely remedial intervention. With the dashboard analysis feature, we can monitor the education delivery across all our schools.

Thanks for their esteemed support, responsiveness and cooperation.

Kalpana Pasara
Principal

Sri Vidya Schools, Hyderabad

A big thanks to the Hallmark Learning Labs for conducting the online mock tests for the students of the AP Tribal Welfare Society for 2019-2020. This assessment methodology was very helpful in determining the learning gaps and taking appropriate remedial actions to bridge those gaps based on the feedback reports of the students.
